

PUZZLE CORNER No.03

COLOUR IN

HAPPYTHOUGHTS ARE EVERYWHERE

written and illustrated by Nicky Johnston.

These days, Bayden is a happy and confident boy. There was a time, not long ago when Bayden worried about everything, ALL of the time. That was, until he discovered the power of Happythoughts!

Join Bayden's journey as he goes in search of his happythoughts - you'll never guess where he finds them!

This clever story has been written to help children learn that by changing their thoughts, they can change their feelings. A simple strategy to help them take control of their anxiety!

You may use coloured pencils, crayons or texta to complete the picture. You are free to express yourself using whatever colour you choose.
