

PUZZLE CORNER No.02 FINDING

SELBY SANTA

written by Duncan Ball, illustrated by Allan Stomann.

Selby, the only talking dog in Australia, and perhaps the world, is desperately seeking Santa, while trying to keep his extraordinary abilities a deep dark secret.

Can Selby survive the hair-raising ride in Dr Trifle's Super Santa Sleigh Simulator, and does he escape from the crazy Dr Schnipskin who wants to slice and dice him? Will the mysterious super spy, Blake Romano, live or die? And can Selby defy the deadly coils of the biggest and hungriest python that ever came to Bogusville?

And if you've ever wondered if Santa is real, read on ...

This fifteenth collection of jaw-dropping stories in the bestselling Selby series will give you laughs and thrills with a sackful of sagas and gags to keep you guffawing long after the last Christmas cracker goes pop.

How many birds can you find in the picture above?

Can you name all the different sorts of creatures in the picture above?
