For the Year

YABBA Inc. is a volunteer run not-for-profit organisation founded in 1985. Our goal is to bring Victorian student voices to the Australian children's book industry by engaging students in the interactive reading of Australian books.

We encourage students to engage with Australian books and to

**RECOMMEND** the Australian books they love in Term 1

**READ** the collective recommended titles on the shortlist during Term 2 and 3

**RATE** all the Australian books they've read

**REWARD** the one book that is their favourite by voting in the annual awards.
